(Revision)

subject :- Computer

Q.1

Computer is an _____

- (a) electronic machine (b) Tabulating machine
(c) Tablet (d) Bad machine

Q.2

Computer has been taken from the greek word _____

- (a) calculator (b) mobile
(c) calcium (d) compute

Q.3

Computer can perform _____ operation.

- (a) Addition (b) subtraction
(c) Arithmetic and logical (d) Multiplication

Q.4

Computer always gives an _____ answer

- (a) wrong (b) Accurate
(c) better (d) bad

Q.5

Computer needs our instructions and _____ to work.

- (a) electricity (b) Instruments
(c) parts (d) machine

$$\square + \square + \square + \square + \square = \square$$

Q.6 A computer has a very _____ speed.
(a) slow (b) Fast
(c) very slow (d) medium

Q.7 Computer can do big calculations within
few _____
(a) seconds (b) minutes
(c) hours (d) half - minutes

Q.8 Computer play a very important
role in our _____
(a) Home (b) factory
(c) Life (d) room

Q.9 Compute means to _____
(a) calculator (b) calsi
(c) calculate or count (d) calcium

Q.10 Computers can be used at different
places for different works. so they
are called _____ machine
(a) memory (b) Diligence
(c) versatile (d) Accurate

Q.11 Computer has a _____ memory.
(a) large (b) small
(c) very small (d) medium

Q.12 Computer means _____
(a) RAM (b) memory
(c) compute (d) CO-R

$$\square + \square + \square + \square + \square = \square$$

Q.13

Who has become a friend now

- (a) television (b) computer
(c) CD (d) none of them

Q.14

Computer _____ makes it a wonderful machine.

- (a) Accuracy (b) speed
(c) Diligence (d) versatile

Q.15

Computer has become a _____ friend now.

- (a) Animals (b) Building
(c) Humans (d) none of them

Q.16

Computer makes any mistakes

- (a) yes (b) no

Q.17

Computer can do work _____ than human being

- (a) slower (b) faster
(c) harder

Q.18

Computers are used in school for _____

- (a) Preparing Bills (b) Reservation
(c) making report cards (d) Designing

Q.19

Computer can do both arithmetic and _____ operation.

- (a) addition (b) subtraction
(c) Logical (d) division

$$\square + \square + \square + \square + \square = \square$$

Q.10 Computer takes long time for big calculation.
(a) yes (b) No

Q.11 Computer makes any mistake
 yes No

Q.12 In office we can send _____ to other by the computer.
(a) e-mail (b) message
(c) stocks (d) items

Q.13 In hotels and restaurants computers are used for _____.
(a) designing (b) making bills
(c) diagnose and disease (d) none of these

Q.14 Computers are used for making _____ movies.
(a) better (b) bad
(c) Animated (d) none of these

Q.15 In constructions, computers are used for _____.
(a) making designs of building
(b) making bills
(c) making animation movies
(d) none of them

Q.16 Computer is faster machine
(a) yes (b) No

□ + □ + □ + □ + □ = □

Q.27

In railways and airports computers are used for _____

- (a) making bills (b) reservation
(c) Animation (d) making report cards

Q.28

Calculations like addition and subtraction are called _____ operation.

- (a) Arithmetic (b) logical
(c) Both of them (d) None of them

Q.29

Computer never gets _____

- (a) tire (b) Bore
(c) Both of them (d) None of them

Q.30

Computer has been taken from the _____ word 'compute'.

- (a) Indian (b) Greek
(c) African (d) American

Q.31

In banks computers are used for _____

- (a) To keep the account of customer
(b) For preparing report cards
(c) For making animation.

$$\square + \square + \square + \square + \square = \square$$

Q.32

Computer does calculation _____ than human being.

- (a) slower
(b) faster
(c) more slow
(d) none of them

Q.33

Computer always give _____ answer.

- (a) correct
(b) wrong
(c) bad

Q.34

So computer never get tired so it is called _____.

- (a) accuracy
(b) diligence
(c) versatile
(d) memory

Q.35

Computer _____ can store many information and never forget any things.

- (a) memory
(b) chips
(c) monitor
(d) mouse

Q.36

Computers are used only to calculate.

- (a) yes
(b) no

Q.37

_____ are used for providing special effects in the movies.

- (a) Television
(b) computers
(c) mobile
(d) telegrams

Q.38

Computer is _____ machine.

- (a) tired
(b) bore
(c) tireless
(d) none of them

$$\square + \square + \square + \square + \square = \square$$

Q.39

never forget anything

like human being.

(a) Instagram

(b) Telephone

(c) Computer

(d) Mobile

Q.40

Computer can be used at different places for _____ work.

(a) same

(b) Equal

(c) different

(d) semi-equal

Q.41

Computer used in _____

(a) schools

(b) Banks and offices

(c) Hotels

(d) All of these

Q.42

Computer is _____ machine

(a) wonderful

(b) not useful

(c) not good

(d) better

Q.43

Decision making problem problem are called _____

(a) logical

(b) Arithmetic

(c) Both of them

(d) None of them

Q.44

In Hotels, computer are used for _____

(a) keeping records

(b) recording transaction

(c) preparing bill

(d) All of these

Q.45

are used for online reservation

and to know about the arrival or

departure time of trains at the railway station.

(a) Computer

(b) Telephone

(c) Telegrams

(d) Letters
