Ans-4) Mother Mouse have a complaint that ten o'clock is too late.

5) Which cities did the two frogs live in?

Ans-5) The one frog lived in the capital city of Colombo in Sri Lanka, while the ~~secon~~ other frog lived in a tiny pond close to Kathmandu, the capital of Nepal.

6) What common wish did the two frogs have?

(10)

$$\square + \square + \square + \square + \square = \square$$

Ans-6) Both the two frogs wanted to see new place. Frog of Colombo wish to go to Kathmandu, while the frog of Kathmandu wanted to travel to visit Colombo.

7) What is the difference between snow and ice?

Ans-7) The snow is very soft and white in colour, while ice is hard and may be transparent. A snow ball can't harm anyone but if a ball of ice is thrown to anyone it can hurt to him.

8) What becomes of the snow which falls on low ground?

Ans-8) The snow that falls on low ground in winters, melt when weather became warmer. and the water so formed, runs into streams and rivers and then into the sea.

9) When does a river of ice change into river of water?

Ans-9) The glacier (the river of ice) moves

(11)

$$\square + \square + \square + \square + \square = \square$$

very slowly sometimes only a few inches a day. Some rivers of ice or glaciers came down into valleys. The heat of sun is enough to melt the ice and then the river of ice changes into a river of water.

10) Why was the king angry with Larry?  
Ans-10) The king was angry with Larry to see his dirty house (rooms).

Q. 11 Write a short note (any-2) - [10]
